of Faith

I believe in God the Father Almighty, Maker of heaven and Earth
and in Jesus Christ, His only Son our Lord
who was conceived by the Holy Ghost, born of the Virgin Mary
suffered under Pontius Pilate, was crucified, dead, and buried,
He descended into hell; The third day he rose again from the dead;
He ascended into heaven, and sitteth
on the right hand of God the Father Almighty,
from thence He shall come quick to judge the live and the dead.
I believe in the Holy Ghost; The Holy Universal Church
the Communion of Saints, The forgiveness of sins;
The resurrection of the body, and the live everlasting. Amen.

The 237 Missions to Enjoy in the Rome of This Age, the US (Acts 19:21)

Pulpit

<Introduction> Why did God send us to live in this superpower nation of this age, the United States? What does He desire of us individuals and the Church?

1. How come the evangelist Paul desired so much to go to Rome?
 - It is God's reason for us to live on this earth (*Absolute Plan*).
 - (1) The place where all 237 nations are gathered
 - 1) The US is the greatest missions field
 - 2) Doing multiethnic ministry here is the greatest blessing.
 - (2) The US is a place where all idols and spiritual problems of the world are gathered.
 - 1) The prophecy about 'Babylon the great' in the last days (Rev. 18:2-3)
 - 2) Do you know our mission on this land?
 - 3) God has raised us up as the spiritual watchmen, *spiritual doctors*, and *spiritual ambassadors* to save the Rome of this age, the US.

2. What must we do to save this land of America?
 - Our church must play the role of the *spiritual platform* that saves and presents the solution to everyone (*Absolute Covenant*).
 - (1) Let us uncover the clear reason why Christ must be the solution to all problems and circumstances.
 - Christ is the only one who has come as the solution to the three spiritual problems.
 - 1) What are the three spiritual problems?
 - a. The curse of the original sin that we unwittingly encounter
 - b. The curse of satan that deceives, kills, and fails us
 - c. The curse of hell that comes as a result
 - 2) Christ came with three authorities to solve these three fundamental problems
 - a. True Priest - Set us free from curses (Rom. 8:1-2)
 - b. True King - Destroyed the works of the devil (1 Jn. 3:8)
 - c. True Prophet - Opened the way to meet God and go to heaven (Jn. 14:6)
 - (2) Hold onto the authority and power of Christ within us, continue the spiritual battle, and receive strength within prayer (Prayer 24).
 - 1) Satan will attack us to deceive us with great strength (Eph.6:11-12)
 - 2) However, with spiritual power, revive and save everyone we meet.
 - a. This is the vessel we must enjoy.
 - b. Therefore, He has raised us as those who save, those who bless (1 Pet.2:9)
 - (3) What does God desire of this land for 237 missions?
 - 1) Start from something you or the church does well.
 - 2) In that sense, this missions conference has great significance.
 - 3) If we are within the blessings of the 237 missions, then our posterity will enjoy the same blessings (Blessing of Transmission).
 - 4) It will become the way to transmit the covenant, blessings, and the spiritual strength.
 - 5) Children with those parents, the posterity that has witnessed those kinds of 1st generations will play an important role to save this age.

Conclusion: God will save the 237 nations with all the problems and incidents that we face.

- (1) This is what God affirmed Paul with in prison and in the midst of the storms.
- (2) Rediscover the reason why we must live in America.
- (3) We are those within the greatest blessings.

I bless you to enjoy the blessing of missions to save the 237 nations!
