of Faith

I believe in God the Father Almighty, Maker of heaven and Earth  
and in Jesus Christ, His only Son our Lord  
who was conceived by the Holy Ghost, born of the Virgin Mary  
suffered under Pontius Pilate, was crucified, dead, and buried,  
He descended into hell; The third day he rose again from the dead;  
He ascended into heaven, and sitteth  
on the right hand of God the Father Almighty,  
from thence He shall come quick to judge the live and the dead.  
I believe in the Holy Ghost; The Holy Universal Church

The resurrection of the body, and the live everlasting. Amen.

**The Routine of Messages that are Fulfilled**  
(Rom. 5:12-14)

Pulpit

< Introduction > What is the biggest difference in the Gospel Paul possessed? It's that transformation not only arose in the Jews but also for the Gentiles. The evidence that God was with him had come to fruition.

1. Paul's message is a field message (Rom. 5:12).
  - (1) Grasp the core content of Rom. 5:12-21
    - a. Adam's sin and its adverse effect vs. God's grace and Christ's obedience
    - b. Depicting in more detail what is proclaimed in Rom.5:1-11
  - (2) The most urgent message must be transmitted first.
    - a. Traditional Judaism theme? (justification, redemption, atoning sacrifice)
    - b. Theme of the believing Jews? (New exodus)
  - (3) The field Gospel message Paul relayed (chapters 5-8, Core of Paul's Gospel)
    - a. 5:1-11, Peace with God [ Original man]
    - b. 5:12-21, How did sin, death, and curses enter through one person? [ Fundamental problems]
    - c. 6:1-7:13, Relationship between sin, death, and the law vs. Relationship between grace, life, and justification [ State of the unbeliever]
    - d. 7:14-25, The vain effort of those who struggle to escape from problems [ vain effort]
    - e. 8:1-30, New relationship given in Christ, in the Holy Spirit [ Unique solution, Christ]
    - f. 8:31-39, God's eternal love and care [ Blessing of the saved]
  - (4) Complete death that reached all mankind through Adam's sin (v. 12)
    - a. One person = Adam (v. 14)
    - b. Death = physical death + spiritual death
    - c. "for all have sinned" (Rom. 3:23)
  
2. Paul's method of transmitting the field gospel message (Rom. 5:13)
  - (1) Depicted from the incident of Gen. 3
    - a. Started with a more universal and fundamental story
    - b. Start of Paul's Gospel story: Gen. 3 incident which records about sin and death
  - (2) Paul's two strategies
    - a. Generalized and relayed Adam's sin and its gruesome results
    - b. Jesus Christ's hypostasis and ministry generalized and relayed to the entire world as the necessary solution
  - (3) How come people who have not directly received the law must also take responsibility?
    - a. Adam sinned before the Mosaic law was given.
    - b. All mankind fell under sin because of Adam's disobedience.
    - c. Sin reigns over all mankind that has separated from God.
  
3. Paul transmitted his own version so that it may be applicable to each individual (Rom. 5:14).
  - (1) Paul's own version of Gen. 3 incident
    - a. Themes aware since the start of the history of mankind
    - b. Themes that Paul's audience were fully aware of and had experienced
    - c. God's grace that simultaneously opened the way to live
  - (2) 4 Themes of Paul's field Gospel message
    - a. Adam's sin and its results
    - b. Jesus Christ's obedience and its outcome
    - c. Comparison of the two individuals
    - d. Deep meditation and introspection of Paul himself
  - (3) Where will you belong?
    - a. To Adam?
    - b. To Christ?
  - (4) "Adam, who was a type of the one who was to come" (v. 14)

Conclusion: The transmission of the Word is the greatest blessing. Transmit the Word you have received with three hearts.
